Feeding Frenzy 2022

Dear Coaches/Athletics Directors,

Feeding Frenzy 2022 will take place from the 9th-11th December 2022 and will make the most of our fantastic 50m pool as well as our 25m warm up/cool down facility. Due to such high demand, the meet has become an invitational event in order to maintain the standard of the meet itself.

As we welcome back schools from overseas for the first time since 2019, all available individual events will be on the meet schedule as well as relay events across all three days. We have also continued with qualifying times for 200m events and above to ensure swimmers benefit from quality racing throughout the weekend.

Whilst we always look to continue setting new competitive benchmarks at Feeding Frenzy, we also want to ensure the fun and vibrant spirit on poolside. Therefore, we welcome (. . . or challenge!) all schools to dress in their best Christmas apparel on the final day and to celebrate the festive season together.

We are looking forward to having teams and coaches return for another year, as well as lots of new faces as well.

Regards,

Tim Tripp (TigerSharks Head Coach)

Meet Conditions

- Individual events will be swum as mixed races, however they will be scored in separate genders and age groups:
